### ***It's Morning!***

(lyrics and music by Susan Spivak aka Fritzie)

#### *CHORUS:*

It's morning, morning  
Wake up! You, sleepy head!  
It's morning, morning  
Get out of bed!

1- When I wake up in the morning, lots of things to do  
From brushing your teeth to tying your shoes  
Lay your pants out on your bed,  
Wake up you sleepy head!

2- Stretch your arms in the air  
Put a comb through your hair  
Eat your breakfast if you please  
And use a tissue when you sneeze!

3- Put your shirt over your head  
Put your arms through your sleeves  
Pick your clothes up off the floor  
And put them in your dresser drawer!

*CHORUS (twice)*

## *A Playdate*

(lyrics and music by Armelle Gloaguen)

*CHORUS:*

A playdate, a playdate

I just can't wait

For you to come on over!

A playdate, a playdate

I just can't wait

To see my friend, it's you!

1- Your mom packs up your favorite toys and piles them up the car  
We're gonna sing and dance around  
Jump and laugh up and down!

2- We will pretend to be heroes  
To save the Earth and its people!  
We'll catch the bad guys by their toes  
Best friends always win the battle!

## *Mr Sun*

(Traditional, arrangements by Marshall Toppo)

Oh, Mr Sun, Sun, Mr Golden Sun

Please, shine down on me

Oh Mr Sun, Sun, Mr Golden Sun

These little children are asking you

To please come out so we can play with you

Oh, Mr Sun, Sun, Mr Golden Sun

Please, shine down on me

Oh, Mr Sun, Sun, Mr Golden Sun

Please, shine down on me

Oh Mr Sun, Sun, Mr Golden Sun

Hiding behind the tree

These little children are asking you

To please come out so we can play with you

Oh, Mr Sun, Sun, Mr Golden Sun

Please, shine down, Please, shine down, Please, shine down on me

## ***My Mommy Comes Back***

(lyrics and music by Hap and Marta Palmer)

1- Sometimes my mommy takes me over to another friend's house to play  
Sometimes I only stay a little while, sometimes I stay all day

*CHORUS:*

Then my mommy comes back, my mommy comes back,  
My mommy comes back to get me  
My mommy comes back, my mommy comes back,  
She never will forget me

2- Sometimes I worry when she leaves me, I hope she won't be gone too long  
But when I'm with my friends and having fun, I soon forget she's gone

3- Sometimes I hang out with my granny when my mommy has to go  
somewhere  
We bake some cookies and we read a book and we rock in the rocking chair

Je vois la lune toute ronde dans la nuit noire  
J'entends le loup qui hurle Houh!! Chut c'est le loup gris  
Qui me souhaite une très bonne nuit

But I try and try again

New questions will come up  
Why is this, why is that?  
Little by little I will keep on asking!

## *Child Of Mine*

(lyrics and music by Sherri St-Pierre, arrangement by Johnny Andriani)

Here you are now, you're just in the nick of time  
To save my faith in innocence  
Sweet sweet child of mine  
Hey Angel, welcome home  
Hey Angel, child of mine  
I will love you forever, your smile can make me high  
I want to keep you safe in my arms

I want to see you touch the sky

And never, never feel like my love is something you must earn  
It's yours and always shall be  
And like you it's part of me

Hey Angel, child of mine  
Sweet Angel child of mine  
You're my child of mine, child of mine  
You're my, child of mine, child of mine, child of mine  
You're my, child of mine, child of mine, child of mine  
You're my, child of mine, child of mine, child of mine

### ***The Cat Came Back***

(traditional-arrangements and 3rd verse lyrics by Armelle Gloaguen)

1- Mr Johnson had troubles of his own  
He had a yellow cat that wouldn't leave his home  
He tried and he tried to give his cat away  
He gave it to a man going far far away

*CHORUS:*

And the cat came back  
The very next day  
And the cat came back  
He just wouldn't go away

2- He gave it to a man going up in a balloon  
He told him for to take it to the man in the moon  
The balloon went down about ninety miles away  
Where he is now, well, I dare not say

3- Finally Mr Johnson said to the cat "you can stay  
But I don't want you to get too close to me anyway"  
He didn't think the cat could speak but he heard him say:  
"Thank you, you're grouchy but I like you anyway!"

*CHORUS (twice)*

## ***On The Road***

1- On the train, on the plane  
We go riding and flying  
To visit new places and to meet new faces

2- All the trees and flowers  
All mountains and rivers  
We drive through towns and fields  
Crossing roads and bridges

3- To the beach, on the ocean  
We go riding and sailing  
On an island we will land  
And our trip will never end!

Chorus (twice)  
On the road, there we go  
On the road where we don't know  
On the road, there we go  
On the road where we don't know

Like little ghosts all white  
They catch on fire, they roast and burn  
They fall into our tummy, yum, yum, yum

We make a campfire  
The flames burn high. They're cooking up  
Delicious smores

*Chorus (twice)*

### ***Down By The Bay***

(traditional)

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
'Cause if do, my mother will say  
"Did you ever see a bear combing his hair?!"  
Noooooooo! Down by the bay

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
'Cause if do, my mother will say  
"Did you ever see a lama eating his pyjamas?!"  
Noooooooo! Down by the bay

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
'Cause if do, my mother will say  
"Did you ever see a whale with a polka dot tail?!"  
Noooooooo! Down by the bay

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
'Cause if do, my mother will say  
"Did you ever see a fly wearing a tie?!"  
Noooooooo! Down by the bay

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
'Cause if do, my mother will say  
"Did you ever see a moose kissing a goose?!"  
Noooooooo! Down by the bay

Down by the bay  
Down by the bay  
Down by the bay  
Down by the bay

### ***We Feel It Beating Hard***

(lyrics and music by Armelle Gloaguen)

A doll of mine said "I love you so  
But why can't I tell you so  
I feel it inside, beating beating hard  
I need the words to jump out of my mouth  
I miss you, I care for you  
I like you, I love you"

Two brothers said "we love each other  
But why can't we say it to the other  
We feel it inside beating beating hard  
We need the words to jump out of our mouth  
I'm jealous of you but I care for you  
I like you, I love you"

Mommy and Daddy said "We love you  
We can sing it to both of you  
We feel it inside beating beating hard  
We need the words to jump into your heart  
We love you, we protect you  
We adore you, we love you"

### ***It's Fun To Be Four***

(lyrics and music by Armelle Gloaguen)

*CHORUS:*

It's fun to be four  
When I run and run, run, run and run  
It's fun to be four  
When I run around and ask for more

1- All I want is to play

All night long and every day  
Dressing up my baby dolls,  
I like to go for a stroll  
Wrestling with my dog  
Completely naked on the rug

2- I hear no and I hear don't  
Don't do this and don't do that  
But I 've got to keep on going  
My body keeps on growing  
it takes Superman skills  
To learn to sit still

3- I can let my imagination  
Take over paying attention  
If you dare to follow me  
I'll take you to my kingdom  
1,2,3, no more boredom  
You will meet a fun fun Me  
*CHORUS (twice)*
